LOVER'S REACH

Dimension:

Edition Size 150

Actual Size : 36" x 55.5"

This "Lovers' Reach" is emblematic of every couple's desire to achieve new planes of communication and spirituality in their togetherness. Man and woman are completely in sync, their bodies entwined as one. They close their eyes, tilt their heads, and dream of an even greater love in the pomegranate than the one they already share in the blue rose. They are careful, though, to protect the rose with firm but gentle hands, because there is always the risk of destroying what we have to get what we want. As they touch the pomegranate, the man and woman experience a bliss unlike any other they have ever known.
