TENDER MOMENTS

Dimension:

Edition size 175

Actual Size : 30" x 22"

One of love's "Tender Moments" is that split second between desire and romance, between wanting and having. The man and woman are poised on the edge of the moment. They have enjoyed each other's company, shared themselves in conversation, and danced together toward this inevitable moment of seduction. She relaxes on the bed, completely vulnerable and open with him, because she is comfortable in the admiration in his eyes. He rests his chin in his hand and contemplates this dream which is too unbelievable to be true – except that it is.
